Hello Friends,

We are seeking interested sponsors who believe in sustaining the Music Festival in St. Thomas. We are therefore inviting you to become an active FRIEND of the upcoming festival. Your sponsorship involves the financial support of the operating costs of the annual festival. Becoming a Friend means that your financial support will be used for operating costs such as adjudicator fees, Ontario Music Festival Association fees, rental of venues and cost of insurance, website support, printed programs, stationery and mailing costs, but not limited to the noted expenses. We appreciate any amount you care to donate and all donations over \$20 will receive a tax receipt from our sponsoring organization, St. Thomas Christian Church.

Our Friends from the business community are welcome to supply our webmaster with a link to their business website for promotion on our St. Thomas Music Festival website.
